

Energy Community Summer School 2016

POLIS University, Tirana, Albania, 3 – 10 September 2016

SUMMER
SCHOOL

Don't bury your head in the sand - Launch your energy future today!

Who is the programme for? Highly motivated postgraduate students (masters or PhD), researchers from all energy-related disciplines, young professionals from governmental institutions, companies, think tanks and NGOs, etc.

What do we offer? A multi-disciplinary, hands-on programme focused on energy sectors in transition led by top professionals and academics.

Why should you apply? Gain an understanding of energy sectors in their full complexity and the challenges of transition. Join an international network of summer school alumni.

Apply online by 31 March 2016 at www.energy-community.org (Secretariat/Summer School)
No tuition fee! Free of charge accommodation!
